Respected Sir,

I am forwarding herewith a letter alongwith its enclosures received from Shri A K Kaushik, General Secretary, Telecom Executive's Association of MTNL, Dwarka, New Delhi requesting for your kind assistance for extending CGHS benefits to MTNL absorbees. He has intimated that BSNL absorbees are given an opportunity to opt CGHS benefits and health care benefits but MTNL absorbees are not allowed to avail CGHS benefits. The contents of the letter are comprehensive and self explanatory.

I shall be grateful, if you could kindly look into the matter and consider the request of the Association.

With regards,

Yours faithfully,
