Sub: MTNL "Pension Issue"

As you are aware that MTNL management has taken up the issue with Government of India of the disbursement of Pensionary benefits to erstwhile Government employees absorbed in MTNL and opted for combined service Pension in the same manner as in BSNL.

During the deliberation it emerged that Government may agree to pay Pension at par with BSNL to MTNL employees who have opted for combined pension however Government's liability shall be restricted to the equivalent scales of similarly placed employees of BSNL. The differential amount of Pension if any shall be paid by MTNL with an undertaking that Pay Scale parity between BSNL and MTNL is achieved at the time of next Pay Revision.

Your consent given to above arrangement will help MTNL Management to pursue the case of Pension in the same manner as in BSNL.

This issue with the approval of Competent Authority.
