Subject: Resolution passed by general body "TEAM TY" area.

R/Sir,

I am directed by general body of TEAM TY area to forward this unanimous resolution. The sentiments of executives are well explained in the enclosed resolution and need immediate redressal at your personal level. The autocratic behaviour of GM TY is not only spoiling the working atmosphere but also damaging the reputation of this glorious organization in public.

The present scenario of increasing revenue of MTNL will be adversely affected by the atmosphere of fear and frustration among the executives who otherwise want to deliver their best to achieve the targets set by higher authorities.

Therefore, I request your good self to kindly intervene and arrange to resolve the burning problem of TY area by taking some concrete decision for maintain industrial peace in TY area.

With thanks,

Yours truly,
