Sub:- Request to accept & process the application for Cancellation of Pro-rata option.

Sir,

This is in continuation to our communication/verbal discussion regarding the subject under reference. We want to again resubmit the following for your kind consideration:-

As you are aware that the issue of Pension payment by the Govt to the DOT employees & officers absorbed in MTNL is under active consideration of MTNL management as well as DOT. We are hopeful that the same will be resolved favourably. In the event of this the date of exercising option for either Pro-rata Pension or combined pension was open up to 30th June,2012 and we have requested the MTNL management to keep it remain open so that the executives can exercise their option either in favour of Pro-rata or combine pension so that absorbed executives can take decision in a well thought and judicious manner after the Pension payment by Govt issue is being finally settled. But due to various confusion and uncertainty, our absorbed executives had given the option in favour of Pro-rata pension. Later on, the same have changed their option from Pro-rata pension to combine pension but the administration of MTNL at Delhi and Mumbai are not forwarding the request of cancellation of Pro-rata pension to the CCA of Delhi and Mumbai respectively.

In view of the above, we request your good self to kindly direct the IR section of Delhi and Mumbai to forward their request for canceling the request of Pro-rata pension. It is also requested to kindly issue necessary instructions in this regard to the CCA of Delhi & Mumbai Unit.

With regards,

Yours sincerely,

(A.K. Kaushik)

General Secretary
