Subject : Non co-operation programme w.e.f. 18.05.09 in protest of MTNL order of 5% fitment with HRA capping.

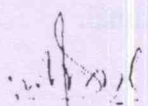

R/Sir,

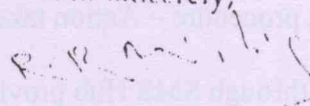

As you are aware that executives of MTNL are protesting for last about two months because of not implementing 30% fitment with out HRA capping. But, instead of implementing Govt. orders of 30% fitment as per DPE OM dated 26.11 2008, MTNL management chose to go ahead with 5% fitment with HRA capping. This act of management has further escalated the resentment of executives and industrial unrest in MTNL.

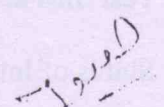

All the executives of MTNL Delhi & Mumbai has condemned this act of management and resolved to intensify protest action in support of our demand of 30% fitment with out HRA capping.

Therefore, we have decided to resort to NON - CO-OPERATION w.e.f. 18.05 2009 besides our earlier programmes of Rally to PM office, Mass casual leave and WORK to RUIJ.

Yours' sincerely,
