Sub: Notice for Day long Dharna on 8th Dec. and Indefinite strike from 23rd Dec., 08.

Sir,

This is relating to the demand that the absorbed executives of BSNL and MTNL have raised regarding their immediate repatriation to DOT. In this connection, already we have had organizational programmes of action on 7th and 18th Dec.,08 to draw the attention of the managements of BSNL and MTNL and the DOT to address and resolve this important and urgent demand of the absorbed executives of BSNL and MTNL.

Since there has been no response so far on our crucial demand of immediate repatriation to DOT from the managements of BSNL and MTNL and the DOT, we are constrained to intensify our struggle due to sheer indifference of the concerned authorities by observing following programmes of action.

- A) Day long dharna at BSNL Corporate office, CGM Hqs and SSA Hqs of BSNL on 8th Dec.,08. Dharna shall be held at ED Hqs of MTNL Mumbai also.
- B) Rally on 22nd Dec.,08 at 1300 hrs from MTNL office, CGO Complex, to Electronics Niketan, CGO complex, to submit memorandum to Hon'ble MOC & IT.
- C) Indefinite strike from 0600 hrs of 23rd Dec.,08.

We believe that the managements of BSNL and MTNL as well as DOT establishment understand the significance and seriousness of our demand of imminent repatriation to DOT and initiates meaningful dialogue in the direction of resolution of this critical issue of the absorbed executives of BSNL and MTNL to avoid industrial strife and turbulence in BSNL and MTNL which by all means would be undesirable in this competitive era and for which the concerned authorities shall be squarely responsible.

United Forum of Executives' of BSNL/MTNL has decided to go in for indefinite strike from 06:00 hrs of 23.12.2008 to demand immediate repatriation of absorbed executives' of MTNL and BSNL to DoT. Besides, other programmes of organizational actions contained in the enclosed letter are also being observed.

In this connection, we request you not only to fully support our struggle but seriously consider participating in the struggle, keeping in view the viability of both BSNL and MTNL which is adversely affected due to the dual policy of the Government on the issue of absorption.
