K.C. Vats Organising Secy. TEAM Delhi Circle ,Sh. Ajay Sharma Asstt. Circle secy. TEAM Delhi Circle and Sh. Somnath Asst. Circle Secy. TEAM Delhi circle, Many points discussed with him in a healthy and Peaceful atmosphere.

1) Officiating promotion in each Executive cadre : The association raised the issue of officiating promotion in each cadre of Executive , as the same are being denied by MTNL management Delhi unit without any particular and specific reason. ED tried to pacify the issue taking a shelter , in name of negative growth. The association reminded him that still there are more than 37 GMs working in Delhi unit and even as per existing norms these post cannot be justified . Then ED did not give any specific reply to the queries of association . At last General Secy. categorically told to ED MTNL Delhi unit that this type of dual attitude can not be accepted by Executives and promotions are to be given to eligible executives as per existing Norms. ED promised to look into the matter very soon.

2) Replacement of Garuda connection with Dolphin sim to all executives: The association raised the issue of replacement of Garuda connection with Dolphin Sim to all executives. ED Delhi unit told that issue is related with corporate office's policy therefore he will try to resolve the issue with due consultation with corporate office.

3) Release of promotion list for PAs to E2 : The association raised this issue. ED replied that work is being done in this direction and list will be released very soon.

4) Smooth procedure of financial upgrading of Executives: The association raised this issue and recalled him that the present constitution of forming DPC for financial upgrading is being expired there for just on this ground the DPC for financial up gradation should not be delayed . ED assured that he is aware of this fact and promised that financial up gradation DPC will be done smoothly.

5) Posting of Newly recruited JAOs: The association asked ED that the JAOs recruited by MTNL Delhi unit are not being properly utilized they are just being used for Audit work and some Liaison work ;whereas the shortage of JAOs in all most all areas is being felt. Therefore the JAOs must be posted to areas as per need without further delay.

ED assured that he will ask all area GMs for the need of JAOs and will post them as per requirement.

6) Acute Shortage of Material in Delhi Unit: It was told to ED that all areas are facing the problem of Shortage of all type of material (Drop wire ,Clip phone , jointing kits , Jumper wire , Modem , Exchange battery etc.) since long back and MTNL is unable in giving fault free services to the subscribers in the absence of perfect services, the subscribers are running away From MTNL. ED assured that the Position of Delhi as whole shall be reviewed .

7) Training after Financial upgrading: It was told by association that after financial up gradation in last October 09 no training schedule has been prepared by MTNL administration, so keeping in view the condition of second increment after training the schedule for training to all eligible executive shall be prepared and implemented at the earliest. ED assured to look into the matter shortly.

8) Financial Viability of MTNL : The association raised this issue and shared the worry of association with ED . The association placed many fruit full suggestions to ED for increasing financial strength of MTNL .ED took a serious note of all suggestions and informed association that in this direction they are working for example renting out MTNL building in commercial place is being seriously pursued.

9) Association informed that lot of OFC cables are lying faulty from feb-2009 and the system is running without any ring or at single link. Its creates a connectivity problems for land line as well as mobile subscribers in busy hours or at the time of damage of the any further OFC cables.
