Subject: Alleged misappropriation of GPF amount in MTNL.

Respected sir,

For the last few months MTNL has stopped the payment of GPF to the DOT employees absorbed in MTNL on their superannuation as well as Advances/ Final withdrawal applied by the eligible absorbed employees.

It is learnt from various reliable sources that the GPF amount deducted from the hard earned wages of the employees has been mishandled / misappropriated, violating the relevant rules in place. If it is so , this is very serious matter and appropriate corrective measures need to be taken without any further delay. We would request you to kindly look into or probe into this matter very urgently and wherever required , if situation warranted, the responsibility should be fixed for such mishandling / misappropriation .

The retirees as well as working employees in this fag end of the service life have been put into very serious hardship which could have been avoided if management would have been on alert in this respect.
