**Subject :- DOT's taking over of the Pension of MTNL Pension (on combined service basis).**

R/Madam,

We are thankfully aware of the sincere and painstaking efforts taken by DOT and the Office of the Principal CCA, Delhi & Mumbai as well as proactive roll played by the CMD/MTNL and MTNL's Pension Cell to accomplish the following task related to the issue mentioned above, i.e.,

- (1) To ensure that the concerned pensioners of MTNL who retired w.e.f. 31.3.2014 and onward will receive PPO Books, Pension and other related benefits directly from DOT.
- (2) The office of the Principal CCA, Delhi and Mumbai have started paying pension directly to all pensioners (on combined service basis) on the basis of the list and figures provided by MTNL irrespective of facts whether new PPO Books are issued yet or not.

We sincerely believe, this could be possible with your kind and firm intervention at that point of time.

But the above action is a matter of stop gap arrangement. This can not belittle the need of issuing new PPO Books to the concerned MTNL pensioners who retired up to 31.3.2014. But what is the progress in that direction ? Not a single PPO Book is made ready for this category during the entire period of January,2015 and February,2015 so far. This is a volumes work that appears to have hit a roadblock.

**Contd.....p/2**

DOT, Principal CCA and MTNL should sit together to assess critically what is the actual position in this respect. It is nobody's business to raise accusing finger. Nevertheless it must be clearly understood where it is lacking.

It is a ground reality that the spirit and enthusiasm with which work was started are now evaporated. We don't know what is feedback to DOT.

Thanking you,  
Yours faithfully,
