Sub: Penalty for non-completion of Broad Band New Line work order
Ref: DGM(OP)/MIS/TRAI's Notice/2013-14 dated: 23.05.2014

Respected Sir,

We regret to go through the content of the letter referred above which conveys unilateral decision to punish middle level executives for delay in provisioning of new Broad band lines and this is causing/growing unrest among the executives.

Sir, you are aware that our executives are working with lot of constraints. Penalizing them for non compliance of TRAI parameters which are having several limitations will highly demoralize them and will result in reluctance among executives to work in the external divisions.

We will instruct all our members to take adequate care to comply with TRAI parameters and request your good self to withdraw the penalty measures initiated in this regard. We also request that we may be heard before taking any final decision in this regard.

Yours Sincerely,

J.S. Yadav,
CS, TEAM, Mumbai.
