Subject :- Protest against non-payment of salary to MTNL employees.

Respected Madam / Sir,

Kindly refer to our letter of even number dated 06/03/2019. Through that letter we have conveyed the concern and anguish of MTNL employees to you. We have suggested that if MTNL is not in a position to pay the salary of the employees regularly on time, let DOT own the liability of the employees so that the employees are not put to undue financial distress for non-payment of their fault.

But unfortunately neither it is ensured that MTNL pay the salary on due date nor has DOT come forward to rescue by way of owning and discharging the full liability towards the employees. DOT should not create an impression that the Government Department is corporatized not for creating an environment of fair and healthy competition in the service sector but to abandon its own employees to a falsehood and deception. DOT may very well revisit its written assurances to lure the then DOT employees to exercise "option".

If DOT is reconciled with the situation that its experiment with MTNL has finally failed, then let MTNL be folded back into DOT without further delay. The employees should not be made guinea pigs for such failed experiment.

Ondtp/2

We strongly press for this. The frustration and anger is growing steadily in the employees.
We are only trying to save the situation.

The members of our affiliates – both employees and pensioners will hold **LUNCH HOUR DEMONSTRATION** on **14/03/2019** before the gate of **MTNL Corporate Office, CGO, Delhi**.
