Subject :- My repatriation to D.O.T. from MTNL – request for.

Respected Madam,

I s/o have been recruited as by Government of India. I worked as a DOT employee in the DOT setup till 1.10.2000/01/11/1998 when I was absorbed in MTNL after exercising an option.

I exercised said option under some written assurances from DOT of better service prospects with job/pension security. Nowhere is there any mention about any risk factor stating clearly that on my absorption in MTNL I may be put into a situation when I shall have to work without salary to be paid regularly and on time. Thus the said option was exercised under deceptive situation of inadequate and unfair information. Therefore my said option can not be taken as an informed option.

Now it is widely acknowledged that MTNL is not in a position to pay my salary regularly on time and even realization for full DA neutralization @ 78.2% w.e.f. 1.1.2007 as per 2nd PRC is denied. For last couple of months I don't get my salary on time. Even now I don't know when my salary for the month of February will be paid. I, along with my family have been subjected to a serious financial insecurity and distress.

Under the circumstances, I would humbly pray to your good self to cancel my said so called option and arrange to repatriate me to my parent department i.e., DOT with immediate effect.

For such kind action on your part, I and my family will remain ever grateful to you.

Thanking you,
