R/Madam,

Many thanks for granting us a brief informal meeting to discuss the following pressing issues related to MTNL Pension :-

**Pro-rata Pension :**

Requested to sympathetically consider our request to grant a fresh option to the Pro-rata pensioners in the wake of DoT's taking over the the responsibility of the pension to the combined pension holders of MTNL. We tried to let you know the impact of this issue in detail.

**Process of DoT's taking over the disbursement of MTNL Combined Pension**

While thanking you to help gearing up the work of issuing DoT PPO Books to the April,2014 retirees in Delhi and thus enabling a landmark development in respect of taking over of MTNL pension, we have apprised you of very poor progress of this work at Mumbai even though adequate space and manpower have been provided to CCA. With such slow progress, none can foresee any prospect of taking over the pension for Pre-April,2014 pensioners by DoT.

Solicited your immediate and effective intervention to improve the situation.

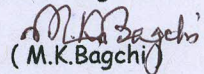

**Payments of Arrears of Pension to the MTNL Pensioners (Combined Pension) retired prior to 1.1.2007 :**

The payment arrears is long due. To start with, DOT can arrange the payment of 1<sup>st</sup>.instalment through MTNL as it is being done now for disbursement of pension as an interim measure. Expected the payment at the time of last Diwali, but to no avail.

Requested to this effect once again.

Thanks.

With regards -
