**Subject :- Stoppage of payment of salary for the month of
November,'18 of the MTNL employees on the scheduled pay day – Protest
Against.**

Sir,

It is unfortunate that MTNL employees have been chosen to be victimised financially under the pretext of financial distress of MTNL. Almost all financial reliefs once available with the employees, were already taken away. Even the full DA neutralization w.e.f 1/1/2007 is denied. Now the ultimate blow is designed to hit the employees by way of stopping the payment of salary so that the employees can not "dare" to ask for periodical pay revision. On the other side wasteful expenditures by the Corporate Management on unproductive heads and outdated technologies continue without any regard to the financial situation.

The constituent organisations of UF, Delhi & Mumbai have decided to lodge PROTESTS if salary is not paid on the due date. We fully support their Protests and call upon our members – employees and pensioners to join their PROTESTS. This Protests Actions have been thrust upon the employees by the
