Subject :- Revision of Pension (Combined Service) for MTNL Pensioners.

Respected Madam,

MTNL pensioners (Combined Service) are yet to get their pension revision. Various Pensioners' Association of MTNL and BSNL have already taken up this issue. But the matter is still pending with DOT. Most of the pensioners / family pensioners are at the advanced age. For them, this delay may deny the benefit for ever. Therefore, early decision in this respect is necessary.

We are further to mention that the pensioners have already retired from the service. They are no way involved in the profitability of the organization they have retired from. The pension contributions have been fully paid for their full term of service. So the issue of pension revision should not be linked with the issue of pay revision.

Further we would like to point out that the pension and pensionary claims of these pensioners are governed by CCS (CCA) Pension Rules 1972. All pensionary benefits recommended by CPCs were made applicable to IDA pensioners except pension revision. Therefore, it is in the fitness of the case that the pension revision of these pensioners should be on the principle and fitment benefit of the 7th CPC.

Pension revision for these pensioners who retired prior to 1/1/2017 may be carried out w.e.f. 1/1/2017 in the following manner:-

Existing basic pension + DA as on 1/1/2017 + 32% of Basic pension, i. e., following the recommendations of 7th.CPC as accepted by the Govt. for Central Govt. pensioners.

We sincerely request you to take prompt necessary action to secure the approval of the competent authorities to implement pension revision as stated above.

Yours' faithfully,

(Rajeeb Kumar)

General Secretary
