To,
The Executive Director,
MTNL Delhi, K.L.Bhawan,
New Delhi-110001.

Subject: MTNL Delhi in general and Kidwai Bhawan as specific BLACK SPOT on Swachh Bharat Abhiyan of Hon'ble Prime Minister of India.

Sir,

We are sorry to mention that even this petty issue needs the attention of administrative authorities in writing through Associations /Unions. Whereas the fact is that the working places of Executives/Employees and administrative authorities are one and same. But even after our various verbal requests to various administrative authorities in different meeting could not improve any cleanliness through out MTNL ,Delhi and specifically in Kidwai Bhawan.

Recently our Honourable Prime Minister has launched '**Swachh Bharat Abhiyan**' on 2nd October 2014. We were very glad to see that whole MTNL staff was not only called on that day but every one participated symbolically for this Abhiyan. We appreciated whole administrative machinery for this excellent initiative. But even after 2 week times the nothing could change and the condition of various buildings is deteriorating day by day in stead of any **SWACHHTA**.

Sir, It seems that we could not understand the seriousness of the mission cleanliness launched by Hon'ble Prime Minister. In spite of that we did symbolic acts which could bring us in the lime light. Sir this type of mission could get success if we have positive attitude and regular watch over our dedicated acts.

We hope your good self may fix responsibilities for this noble mission area vice and building vice so that the persons could dedicate their whole working time for keeping our buildings neat and clean. Neat and clean environment will help to keep our employees/executives and technical system healthy.
