Sub: Support to Protest action Programme of JOINT FORUM OF EXECUTIVES' ASSOCIATIONS OF MTNL

R/Sir,

The JOINT FORUM OF EXECUTIVES' ASSOCIATIONS OF MTNL has already served a notice to CMD MTNL vide letter No. Ref.No. JF/MTNL/CO/2009/3 Dated at ND the 19/03/2009 regarding Non-Implementation of New Pay Package with 30% fitment formula as notified by DPE vide its letter No.-2(70)/08-DPE(WC) Dated 26-11-2008 and has rather decided to go ahead with 5% fitment formula breaking all barriers, norms and laws of the land.

The fitment method to be decided will effect the retired executives also by one way or the other. Hence we oppose any action by the MTNL management to consider fitment method anything less than 30%.

It has been decided by this Association to participate and support wholeheartedly the protest action being launched by the JOINT FORUM OF EXECUTIVES' ASSOCIATIONS OF MTNL.
