Shri N.K. Yadav,
Chairman and Managing Director,
Mahanagar Telephone Nigam Limited,
9, C.G.O. Complex, New Delhi.

Sir,

We the members of Telecom Executives' Association of MTNL (TEAM) welcome your goodself on assuming the charge of Chairman & Managing Director of MTNL. We express our sincere thanks for inviting us in the introduction meeting of all unions and associations in the committee room of Corporate Office held on 8th June 2015. We have also been privileged to hear your views in the meeting.

After hearing your valuable address we do not hesitate to say that after a long time we have got a person as CMD MTNL who is determined, visionary, and assertive in his thoughts, knows the importance of motivated human resources and believes in transparent functioning. Your address was not only motivational but also based on ground realities with solution of problems. Our observations are as under:-

You are a person who believes in

1. "Who can see invisible can do impossible".
2. There is no problem without solution.
3. Human resources are assets not liability.

Sir, we are with you wholeheartedly in this endeavour where MTNL will not only come out of the crisis but will also grow in multifold ways. This growth will benefit both of us, the employees of MTNL and its esteemed customers. We have also decided to keep our doors and windows open because fortune is about to knock our house i.e. MTNL.

With regards,

Yours sincerely,

(A.K.Kaushik)
