No. Forum/2009-10

Dated 12<sup>th</sup> Nov.2009.

To

The Executive Director,  
MTNL,  
Mumbai.

Sir,

Sub:- Manhandling incident at West-III.

The Executive Associations in Mumbai note with deep anguish the manhandling of a Senior Officer in West-III area. We severely condemn the incident and request the Management to take appropriate remedial action to guard against such incidents in future. Such incidents not only affect the morale of all the officers at all levels but also expose the fragile security arrangements in all the buildings though MTNL is incurring substantial amount of expenditure in employing security personnel from outside agencies. We also request the Management to review and tighten the security in all the Telecom & Administrative buildings including isolated offices.

Thanking you,

Yours sincerely,
